

# SmartLF Ci 40

Professional MFP Solution

Wide format Color and Monochrome Copier for  
Technical Imaging, Office Graphics and EDM  
up to 40 inches wide

SUITABLE FOR:  
TECHNICAL & CAD DRAWINGS, AEC,  
UTILITIES & ENERGY, FACILITIES  
MANAGEMENT & ELECTRONIC DOCUMENT  
CAPTURE (ISIS)

Make the use of what you already have by incorporating a Colortrac SmartLF Scanner and SmartWorks Pro workflow software to your printer to maximise the use of existing equipment and reduce costs.

Scanner	Workflow Software	Stand & Optional Accessories
<p><b>Colortrac SmartLF Ci 40c</b></p> <ul style="list-style-type: none"> <li>• Face-up, Front Feed with Front Retrieve of documents</li> <li>• Maximum Resolution: 9600 dpi</li> <li>• Maximum Image width: 40 inches (1016 mm)</li> <li>• Maximum Media width: 41 inches (1042 mm)</li> <li>• Maximum Media thickness: 280 gsm flexible media</li> <li>• 5 x 5,000 pixel Contact Image Sensors (CIS) giving 48-bit color and 16-bit greyscale data capture</li> <li>• Dual bi-directional extra long life LED lighting of document during scan, with instant on meaning no warm-up time.</li> <li>• Maximum scan speed @ 200 dpi                     <ul style="list-style-type: none"> <li>- 24-bit RGB color – 1.67in/sec</li> <li>- 8-bit Greyscale/Mono – 10.00in/sec</li> </ul> </li> <li>• Scan accuracy: ± 0.1% or ± 1 pixel</li> <li>• Digital Image processing:                     <ul style="list-style-type: none"> <li>- 2D Intelligent Adaptive Thresholding</li> <li>- Fixed threshold Black &amp; White (1-bit mode)</li> <li>- Dynamic Normalisation Application with 16-bit super sampling</li> </ul> </li> <li>• Color Space: Normalised / Linearised RAW RGB or sRGB</li> <li>• Color Image Processing: Gamma, Brightness, black &amp; white point adjustment</li> <li>• Interfaces: - Ethernet Gigabit, USB2, WIA and STI</li> <li>• Certifications: ENERGY Star, RoHS, IEC CB test, FCC, UL compliant</li> <li>• Electronic Document Capture (EDC) with ISIS™ interface driver to connect seamlessly to EDM systems &amp; databases.</li> </ul> <p>Scanner upgrade from “c” to “e” model available to provide faster scanning capability if required.</p>	<p><b>Colortrac SmartWorks Pro Copier (Touch Screen compatible)</b></p> <ul style="list-style-type: none"> <li>• The SmartWorks Pro software allows you to send a copy of the original directly to the printer</li> <li>• Optimised for Windows™ Printer Driver Support</li> <li>• Automated features include:                     <ul style="list-style-type: none"> <li>- Auto paper detection, Auto start scanning</li> </ul> </li> <li>• Preview mode allows operator to make real time changes before printing</li> <li>• Advanced Editing Features:                     <ul style="list-style-type: none"> <li>- Smooth de-skew to ensure clean scan &amp; minimise stress on original document</li> <li>- Efficient High Speed Viewer to monitor copied image</li> <li>- 10 Preset Filters for repeatable best results with common document types</li> </ul> </li> <li>• Multiple Black &amp; White Modes                     <ul style="list-style-type: none"> <li>- 8-bit, 256 levels of greyscale</li> <li>- Intelligent Adaptive Thresholding for dark originals</li> </ul> </li> <li>• Total Color Management                     <ul style="list-style-type: none"> <li>- the in-built color correction provides best-in-class color fidelity when copying using IT8 / ICC profiling</li> <li>- Create Printer profiles for your preferred media to gain best color output</li> <li>- Repeatable quality copy after copy</li> </ul> </li> <li>• Fully Indexed Help File in 10 languages</li> <li>• Operating Systems: 32 and 64 bit; Windows 7, Vista &amp; XP</li> </ul> <p>SmartWorks Pro Software upgrade available to provide full Scan &amp; Copy functionality including extensive image manipulation and file format facilities.</p>	<p><b>Colortrac Universal Repro Stand (URS)</b></p> <ul style="list-style-type: none"> <li>• The URS minimizes the combined footprint of your scanner and printer and creates a practical, high productivity MFP workstation</li> <li>• The URS holds your wide format scanner above most popular large format printers minimising footprint.</li> <li>• It also holds a PC, flat screen and keyboard and allows the operator to place these items in the best place for their requirements</li> <li>• URS is adjustable over three mid-beam leg width settings and combinations</li> <li>• Adjustable monitor support arm height from floor:                     <ul style="list-style-type: none"> <li>minimum: 50.7in (1289mm)</li> <li>maximum: 57.0in (1449mm)</li> </ul> </li> <li>• Depth of stand:                     <ul style="list-style-type: none"> <li>minimum: 31.5in (880mm) including extended keyboard tray and PC basket combination.</li> <li>maximum: 37.3in (948mm)</li> </ul> </li> <li>• Maximum stand width: 60.5in (1536mm)</li> <li>• The stand height is adjustable through five height variations allowing a maximum printer height of 45.5in (1155mm).</li> <li>• Stand height: - minimum: 30.9in (784mm), maximum: 46.0in (1169mm)</li> <li>• Stand height Inc. Document return guide: Minimum 41.2in (1046mm), Maximum 56.3in (1431mm)</li> <li>• There is no limit to the width of the printer</li> </ul>

Note: laptop/computer, touchscreen, keyboard and mouse are not included in the professional MFP solution - please contact your local distributor for more information
