SmartLF **Ci 40**

INNOVATION IN WIDE FORMAT SCANNERS AND SOFTWARE

Wide Format Scanners for General Purpose Technical Imaging

SUITABLE FOR:
TECHNICAL & CAD DRAWING OFFICES, AEC,
FACILITIES MANAGEMENT & ELECTRONIC
DOCUMENT CAPTURE (ISIS)

![Colortrac logo - Our Business is Your Image]

Awarded 4 $\frac{1}{2}$ stars by BERTL, the SmartLF Ci 40 is a fast, accurate and affordable 40in technical document scanner. Offering easy walk-up, instant-on scanning and copying with front document loading & front exit, with connection to any workstation or printer across a network.

NEW IMPROVED MODEL
Capturing wide format technical documents in bulk just got easier. The unique ISIS driver provides connection to EDM/EDC systems for easy wide format document and data capture. The Colortrac SmartLF Ci 40 makes everyday batch scanning tasks now more efficient and more effective.

Key Features

FAST SHARP, AFFORDABLE SCANNER

◆ 600dpi optical with 9600dpi maximum resolution

◆ 40in image width – perfect for scanning A0/E-size documents

◆ NEW Includes SmartWorks EZ SCAN/COPY/ EMAIL software

◆ Sharp, fine image detail - superb black & white capture

◆ CIS[1] technology with extra long-life, instant-on, long life bi-directional LED[2] illumination

◆ Convenient front document feed and exit for easy retrieval and minimal footprint

◆ High speed scans in monochrome and grayscale

◆ Scans media up to 0.012in (0.3mm/275gsm) - suits ALL technical documents

◆ On-site upgrade from monochrome to color and express color – via Email

◆ Fast, high quality scans from power-on, no warm-up, no waiting!

◆ Easy connectivity via USB2 or Gigabit Ethernet

◆ Unique ISIS certified wide format EDM document capture

◆ ENERGY STAR® Qualified - powers down when idle

The SmartLF Ci 40 walk-up scanner offers professional A0 or Architectural E-size scan and print productivity at the touch of a button. Supplied with SmartWorks EZ software providing quick monochrome, greyscale or color scans to file, email or to any printer. With high quality CIS imaging technology, capture the finest details of all your technical drawings and maps with an unrivalled combination of sharpness, accuracy and bright colors.

SmartWorks EZ software - Everything you need is IN THE BOX!

Because you need large format scanning solutions that work for you:

SmartLF Ci 40 scanners include SmartWorks EZ SCAN/COPY/EMAIL software that combines wide format scanning and copying in one very easy to use program and has full compatibility with wide format printers through standard Windows drivers.

SmartWorks EZ is optimized for use with touchscreen monitors using a simple, intuitive user interface suitable for general office use.

Colortrac recommends:

SmartWorks Pro SCAN & COPY software for more demanding users.

The professional option with Colortrac's 'scan once' workflow for unrivalled control & productivity.

Includes Intelligent Adaptive Thresholding (IAT) - voted "Best in Class" and receiving 4.5 Star OUTSTANDING rating by BERTL.

Specifications
