Colortrac Ltd
CopySmart Media Profiles and SmartWorks Pro
This desument interded to supplement the installation and exercise measured or traini

This document intended to supplement the installation and operation manual or training and instruction sessions provided by Colortrac and its partners

SmartWorks Pro: Importing Profiles from CopySmart

Windows 7 and Vista

Ensure the printer drivers you want to use with SmartWorks Pro have been installed on your SmartWorks Pro PC.

Copy the .ICM and .LIN file pairs from the CopySmart installation for each printer/media profile found in the FROM LOCATION into the SmartWorks Pro file structure at the TO LOCATION.

- Canon iPF755 mks.icm
- Canon iPF755 mks.lin

FROM LOCATION:

C:\Users\<u>PC name</u>\AppData\Local\VirtualStore\Program Files (x86)\Colortrac\CopySmart\Printers

In this example

- Printer = Canon iPF755
- Media = "mks"
- CopySmart computer called "Demonstrator" = "<u>PC name"</u>
